METAL PLATED

High-strength metal coatings on brass, obtained by electroplating. A high thickness of nickel supports an extremely hard surface finish film.

Rivestimenti metallici di alta resistenza su ottone, ottenuti per elettrodeposizione. Uno spessore elevato di nickel fa da supporto a una pellicola di durissima finitura superficiale.

Revêtements métalliques à haute résistance, électroplaqués sur laiton. Une forte épaisseur de nickel fournit le substrat à un film de finition de surface extrêmement dur.

Hochfeste Metallbeschichtungen auf Messing, die durch galvanische Abscheidung hergestellt werden. Eine hohe Dicke von Nickel unterstützt eine extrem harte Oberflächenbeschichtung. Recubrimientos metálicos de alta resistencia sobre latón, obtenidos por galvanoplastia. Un elevado espesor de níquel soporta una película de acabado superficial extremadamente dura.

GENT *concept*

The excellence of steel, the softness of design

The handle is the very soul of the faucet, a sculptural piece defined by ergonomic lines meticulously crafted to follow the hand's natural motion. From the pencil of Gabriele and Oscar Buratti comes a form that invites the touch, an iconic element that anchors the unique character of a collection designed to evoke emotion.

La maniglia è l'anima del rubinetto, un oggetto scultoreo dalle linee ergonomiche studiate per accompagnare il movimento della mano con naturalezza. Dalla matita di Gabriele ed Oscar Buratti è nata una forma che invita al tocco, un elemento iconico che definisce il carattere unico di una collezione pensata per emozionare.

La poignée est l'âme même du robinet, une pièce sculpturale aux lignes ergonomiques, méticuleusement façonnées pour épouser naturellement le mouvement de la main. Née du trait de Gabriele et Oscar Buratti, cette forme invite au toucher, élément iconique qui signe le caractère unique d'une collection conçue pour susciter l'émotion.

Der Griff ist die Seele der Armatur – ein skulpturales Objekt mit ergonomischen Linien, die entworfen wurden, um die Bewegung der Hand mit natürlicher Leichtigkeit zu begleiten. Aus der Feder von Gabriele und Oscar Buratti entstammt eine Form, die zum Berühren einlädt: ein ikonisches Element, das den einzigartigen Charakter einer Kollektion prägt, die darauf ausgelegt ist, Emotionen zu wecken.

La maneta es el alma misma del grifo: una pieza escultórica de líneas ergonómicas, concebidas para acompañar el movimiento de la mano con naturalidad. Del trazo de Gabriele y Oscar Buratti nace una forma que invita al tacto, un elemento icónico que define el carácter único de una colección diseñada para despertar la emoción.

In no case, however, can they give rise to reimbursements or compensations from Hotbath srl.
The company reserves the right to process the order with partial shipments.
- Unless otherwise agreed, the supply of the products is intended ex-works. Consequently, transport and insurance are the retailer's responsibility, even when it is agreed that delivery shall be taken care of by the manufacturer, in which case the latter shall act as the retailer's delegate, on the understanding that the goods shall be carried at the retailer's risk. Risks relating to supply shall be transferred to the retailer when the products leave the manufacturer's premises.
- Whatever the agreement between the manufacturer and the retailer governing the transport of the products, quality control must be carried out and any faults reported within eight days of receipt of the goods. The addressee is obliged to check incoming goods and present complaints regarding any damages directly to the transporter, who is responsible for them. The addressee is entitled and the transporter is obliged to check the delivery and indicate any reservations on the Delivery Document. The wording "WE RESERVE THE RIGHT TO CHECK" is not sufficient.
- Hotbath srl guarantees its products and their conformity for 24 months from the delivery date, within the limits of DPR 222/224 24/05/88 and in compliance with the European Directives in force. Product conformity means the correspondence in terms of quality, quantity and type to that stated in the agreement and that the products are free from faults which might make them unsuitable for the purpose for which they were created. - The product warranty shall be applicable at the following conditions:
 - The receipt or other proof of purchase must be kept by the buyer.
 - The request for replacement/repair accompanied by documentation must be presented to the retailer where the product was purchased.
 - Faulty material must be delivered free to our premises.

 - If the product has not been installed by qualified personnel and/or no test certificate has been issued.
 - If the buyer does not carry out the necessary ordinary and special maintenance, as indicated in the installation booklet.
 - If the product has been interfered with by the user.

- Any delay or irregularity in payments shall entitle the manufacturer to suspend supplies or to terminate the agreements in progress. From the expiry of payment, the manufacturer is entitled to apply interest on arrears in compliance with the legislation in force. Delayed payment also entitles the manufacturer to withdraw the warranty for the duration of the arrears.

- Any dispute shall be under the exclusive jurisdiction of the Court of LUCCA.
- In compliance with Legislative Decree 196/2003, Hotbath srl hereby declares that the data made available by the customer shall be processed in observance of the law on the defence of privacy.
